

Orthodox Christian Fellowships Illinois presents

FR. NABIL HANNA

A GUEST SPEAKER ON THE ORIENTAL ORTHODOX CHURCH

Join us Tuesday, February 21, 2012 at 6pm at 2nd and John (OCC Center)

Why are we not in communion with the Oriental Orthodox Church? Why did this come about? What can we do to better understand this conflict? What can we do to heal the division?

Since the Council of Chalcedon in 451 peoples identifying themselves as Orthodox Christians have been separated from full communion with each other over what some have termed heresy and others have characterized as merely a failure to communicate. Fr. Nabil will help us gain a better understanding of the political and theological landscape of this conflict.
